At approximately 9:30 am this morning, a hispanic male approximately 50 years old with shoulder length black hair tried to abduct two girls in Admirals Pointe on Admirals Pointe Circle. He is driving a distressed, small gray car with a paper license plate in the back window. He had been following these two girls this morning to one of the girl's residence on Admirals Pointe Circle. When the one girl exited the car to go inside her home, he blocked the other girl in and ordered her to get out of her car. She alertly drove around him through a neighbor's yard and escaped.

If you see this person, please call Neighborhood Patrol at 842-8082 immediately.
